Number plate being riveted to the attachment frame using 4 x 6mm rivets

The number plate is fixed to the vehicle legally

THE LAW

Government Gazette No. 31557 dated 3 November 2008

Amendment of regulation 35 of the Regulations.

7. Regulation 35 of the Regulations is hereby amended by the substitution for the proviso clause after subregulation (7), (f) of the following proviso clause:

Provided that no person shall operate on a public road a motor vehicle first registered on or after 1 January 2009, unless the number plate fixed to such motor vehicle is affixed within 20 millimetres from the edge by means of 4 millimetres rivets or 4 millimetres one-way self tapping screws either directly onto the motor vehicle or an integral part thereof or onto an intermediate metal reinforced holding bracket which is attached to the motor vehicle in such a way that it cannot be removed while the number plate is affixed to it in the aforesaid manner.
